

JD Advising's Public Interest Scholarship Application

JD Advising is committed to supporting students who dedicate their time and effort to advancing the public interest sector. As we find this work to be of great value to our society, we would like to offer those pursuing public interest work a \$1,000.00 scholarship to be applied toward one of our full courses. The following rules apply:

- You must describe your public interest work in the form below. Qualifying work includes an existing job or job offer in the public interest sector, or the intent to pursue such a job following licensure.
- The scholarship can only be applied to the Uniform Bar Exam Premium Course or Uniform Bar Exam Premium Plus Course. The scholarship cannot be retroactively applied to courses already purchased.
- The scholarship cannot be combined with any other discount or offer. The scholarship is not available to JD Advising student representatives receiving money off a course as compensation.
